

GENEALOGIST

G is for genealogy, surely the greatest hobby of all

E is for errors often perpetuated again and again and again

N is for negative results oh, darn!

E is for your ancestors era; make sure you're in the right place at the right time

A is for analysis can that be right?

L is for library, one of our favorite places

O is for odds against the breakthrough of the proverbial brick wall

G is for genetics, will this become the way to prove a difficult line

I is for Internet, a useful tool, it may even help you find a clue

S is for sources, be sure to cite them

T is for tradition, Could it be right? Could it be wrong? or maybe just a tiny clue.
